## **Neurocritical Care Society (NCS), USA offers you an opportunity to undergo Emergency Neurological Life Support (ENLS) Course**

ENLS is an educational program of 14 distinct modules designed to help healthcare professionals improve patient care and outcomes during the critical first hours of a patient's neurological emergency.

ENLS demonstrates a collaborative, multi-disciplinary approach and provides a consistent set of protocols, practical checklists, decision points, and suggested communication to use during patient management.

This upcoming ENLS course is an instructor-led training session that offers a robust introduction to each course topic through instructor-led classroom training and participants can earn up to 15 AMA PRA Category 1 Credits™.
