Dear Dr Aiman,

Greetings from Symbiosis!!!

Thank you for registering for the ENLS course scheduled from 12 to 14 September through an online mode.

The detailed schedule is attached herewith for your information.

Course Material Access Instructions:

Please follow the following steps to access your course material:

1. Log in or create a new (free) Guest account with the [Neurocritical Care Society](#).
2. Click [here](#); choose the appropriate course and click **Add to Cart and View Cart**
3. Once in your cart, click on the **Enter Discount** link. Enter **SCHSenls0920** to remove all fees!

NOTE: this code is valid for just one use per person; do NOT use this code more than once, even in a different account!!

4. Click **Checkout** and complete the transaction.
5. Once complete, visit the [ENLS home page](#) and click the **Access My Courses** button at the top.

You will have access to the course and materials for two years. Certification will be attained when
 (1) each of the 14 exams is passed with a score of 70% or above, and
 (2) the survey/feedback module is completed – this will only appear once the exams have been passed, and is also where continuing-education credits will be claimed.

Once certified, you will be able to download an ENLS certificate. In addition, you will have unlimited access to the course and material, including unlimited re-takes on tests, for the duration of your two-year enrollment. If any updates to the curriculum occur during this timeframe, you will have access to those as well. At 22 months, you will be eligible to enroll in the ENLS Recertification Course, which will emphasize any changes made since you last certified. For details contact SCHS.

Please contact Dr Munindra (9823330088)/smo@schs.edu.in in case of doubts, if any.

Zoom link to attend this course will be shared on completion of registration process.

Thank you,

ENLS Coordinator
 Symbiosis Centre for Health Skills (SCHS)

Emergency Neurological Life Support (ENLS) Course Report

Symbiosis Centre for Health Skills (SCHS) conducted Emergency Neurological Life Support (ENLS) course of the Neurocritical Care Society (NCS), USA which is usually a one-day program was taken in an online mode over the period of three days as per NCS current guidelines from 12 to 14 September 2020.

The ENLS workshop had a mixed group of 20 delegates consisting of Physicians, Nurses and Paramedics. Dr. Urvi Shukla was the course director for the course and Dr. Sushma Gurav & Dr. Abhijeet Deshpande were the other faculties.

The course access instructions comprising of the study material and assessment questions for 14 modules was sent across to the delegates prior to the course.

The course encompassed of 14 distinct modules and demonstrated a collaborative, multidisciplinary approach and consisted of a set of protocols, practical checklists, decision points, and suggested communication to use during patient management.

Certification was attained after passing each of the 14 exams is passed with a score of 70% or above, and completion of the ENLS Trainer Evaluation Survey.
