A Constituent of Symbiosis International (Deemed University)

In association with

THE ROYAL COLLEGE OF SURGEONS ENGLAND OFFERS YOU AN OPPORTUNITY TO UNDERGO

CARE OF THE CRITICALLY ILL SURGICAL PATIENT (CCrISP)

This course was developed and quality assured by the Royal College of Surgeons, www.rcseng.ac.uk/courses.

Care of the Critically Ill Surgical Patient (CCrISP®) is a two day course that explores the skills and knowledge needed to look after surgical patients who are deteriorating, or at risk of doing so. The course ethos is to work with surgeons to improve their ability to make clinical management decisions based on the results of a systematic assessment using the CCrISP three stage algorithm.

During the course delegates learn to:

- systematically and comprehensively assess critically ill surgical patients.
- recognise the deteriorating patient.
- identify the 'most at risk patients' and plan to reduce their risk.
- understand the subtlety and variety of critical illness presentation.
- understand how to avoid complications.
- recognise their role in delivering multidisciplinary care to surgical patients.
- work effectively with other members of the care team.
- support and communicate with patients and their relatives.

CCrISP Certification :

22nd & 23rd October, 2021 : Registrations Closed

11th & 12th February, 2022 : Registrations Open

Registration: Maximum of 16 registration only.
